Agenda

David Fox began the meeting by noting that the main purpose of the meeting was to discuss the spring season and whether to continue to wait to see if play might be possible or to cancel the season now.

Season Update

DC is under a stay-at-home order until May 15. Little League International (LLI) has asked all leagues to delay the start of their seasons until at least May 11. However, even if LLI stays with this date, if DC does not open the fields by mid-May, we may not be able to have a spring season. If fields become available too late for a spring season, the league may hold scrimmages and clinic-style practices to provide some baseball and softball opportunities for players.

The board agreed that we should not cancel the season yet. The board will meet again on May 11 to assess the situation and any additional information available from LLI and DC. In the meantime, the league will send an email to members to let them know that we are waiting until May to make any further decisions. In addition, if any family requests a refund of its registration fees, the league will provide the refund and continue to consider those players to be registered for purposes of the spring season.

Fields Update

Lona Valmoro indicated that there will be a conference call about spring and summer field reservations at the RFK fields. She will participate in the call and provide a report to the board about what was discussed.

Sponsors

CHLL will continue to highlight sponsors on the website. Members of the sponsorship committee will continue to reach out to sponsors who have not yet provided a blurb for the website.

Next Meeting

The next CHLL Board meeting will be held on Monday, May 11 by video unless the board needs to convene earlier.

There being no further business the meeting adjourned at 7:40 p.m. EDT.
